

Clerk's report

Mattishall Parish Council

February 2024

1. Highway Ranger works list has been sent to Matt Lines detailing the locations (best I can) of said works using the what3words app. The list will be forwarded to the Highway Rangers Team for a response.
2. The dog bin at Camping close has been replaced.
3. The litter bin fixed to the Churchyard wall has a hole in the bottom (reported by Mr Edwards). Please advise if you would like me to purchase a replacement? We do currently have an alternative litter bin near the village sign.
4. I am pleased to confirm that our application to Breckland for the Kings Coronation Living Hertiage Fund – Community Orchards has been accepted. We have received a grant for £826 for 24 fruit trees. I have attached a copy of the agreement to the shared folder which explains the terms and conditions.
5. I can confirm that hedges at the Allotments have now been cut to the minimum requirement of 2 metres.
