

Clerk's report

Mattishall Parish Council

February 2025

1. In accordance with our Data Protection Information Audit please can councillors delete all appropriate emails for the month of August 2024.
2. I have spoken to three well known organisations who specialise in defibrillators, they are, Heart to Heart Norfolk, British Heart Foundation and Community Heartbeat Trust. The consensus is that solar power defibrillators are not 100% guaranteed in extreme weather conditions which is why these organisations do not supply a solar powered defibrillator. Community Heartbeat Trust advised that they do have a defibrillator that does not need power, which I am currently exploring and is hopeful to have a further update at the meeting.
3. TTSR have scheduled to carry out the weed spraying to All Saint's Churchyard wall sometime in February.
4. I have chased Norfolk Highways numerous times regarding the Highway Ranger defects, an update can be viewed in the shared folder. I am currently liaising with Mr Lines directly for the other outstanding items.
5. I have emailed Cllr Borrett on two separate occasions regarding the SLOW paint markings for Stone Road. I am currently waiting for his reply.
6. Tree pollarding to All Saint's Churchyard is now complete.
7. I have been advised by Mr Lines that the responsibility for a crossing patrol person lies with charlotte.hayter@norfolk.gov.uk. I have send an email and is waiting for a reply.
