## Road closures and diversions – A47 North Tuddenham to Easton

Sunday 16 March 2025

From 9pm on Sunday 16 March 2025, Mattishall Lane will be permanently closed to traffic. We will be carrying out work within this closure at various locations. Access for residents will be maintained and local diversions will be in place.

There may be some temporary delays of up to 15 minutes around Mattishall Lane and Lyng Road junction while we carry out our work. This will be controlled by traffic marshals.

We've like to apologise for any disturbance caused by our work, and we will try to keep this to a minimum where possible. Please find diversion routes below and map overleaf.
