

A47 North Tuddenham to Easton

Overnight work and full road closure

We'll be upgrading the A47 between Fox Lane junction and Easton Roundabout. To complete our work safely, the A47 will be fully closed in both directions from Longwater junction to Dereham interchange between 8pm Friday 13 February and 6am Monday 16 February 2026.

We also have a contingency closure in place from 8pm Friday 27 February to 6am Sunday 1 March 2026 in case we are unable to complete all our work.

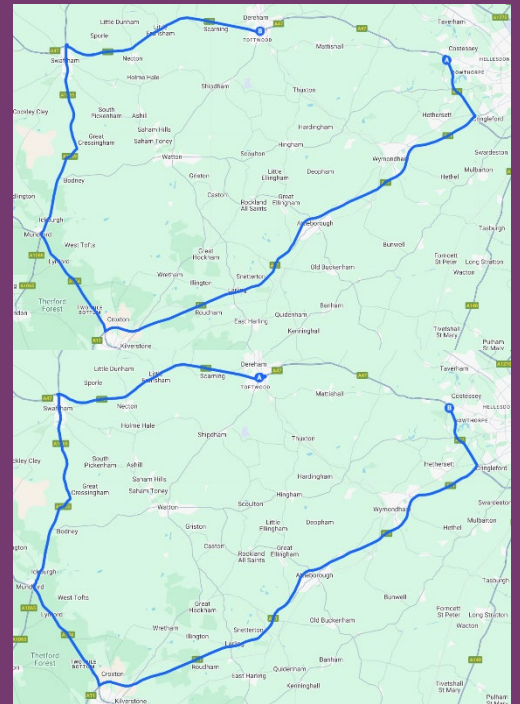

During our closure we will be installing a contraflow on the westbound carriageway between Fox Lane junction and the end of the dual carriageway. This will allow us to begin to tie-in the new dual carriageway.

Westbound Diversion Route:

- Head east on the A47
- Join the A11 and head southwest
- Leave the A11 at Thetford and join the A134 northwest
- At Mundford take the A1065 northwards towards Swaffham
- Rejoin the A47 at Swaffham and head east.

Eastbound Diversion Route:

- Head west on the A47
- Leave the A47 at Swaffham and head south on the A1065
- At Mundford take the A134 to Thetford heading southeast
- At Thetford take the A11 heading northeast Toward Norwich
- Rejoin the A47 and head northwest

All side road access will be closed onto the A47. Residents living directly on the A47 will be escorted through the closure by traffic marshals when access is required during the closure. Access routes through the closure will be maintained for the Emergency Services.

A47 North Tuddenham to Easton upgrade

Overnight work and full road closure

We will also be switching traffic onto our new local access roads between Honingham Roundabout and Easton Roundabout with traffic being routed south of our new Norwich Road Junction. Taverham Road will be fully closed at the junction of the current A47 as part of this switch. Temporary access will be maintained for Honingham Church.

Taverham Road diversion route
