

Clerk's report

Mattishall Parish Council

August 2026

1. In accordance with our Data Protection Information Audit please can councillors delete all appropriate emails for the month of March 2026.
2. Norfolk County Council has successfully appointed a new School Crossing Patrol for Mattishall. A start date has been pencilled in for 30 September 2026.
3. Mr Cutler will begin the first year of planned works on the All Saints Churchyard wall during week commencing 7 and 14 September. He plans to have a toilet on site. I have asked where he intends to locate it and suggested that we could approach the Church to ask whether the contractors may use the Church toilet instead. I am awaiting his response.
4. Digital AGAR – advance notice - Mandatory digital AGAR will apply from the 2028/29 financial year. Councils that adopt it early are expected to receive an incentive payment equal to their audit fee, although the source of this funding is unclear. Other planned changes include a requirement for internal audit reports to be considered at an open meeting, which may already be expected practice.
